Eisenwald, the castle-like continent, where the main story is set • A Tarnished World which you can Explore A new retelling of the world based on truth has dawned. The war between the Gods and Devils has broken out again. Tarnished lands of the past have been invaded by monsters, and the race of Elves which lived in the Daedalus Rift have gone missing. All the Elves were taken away and turned into monsters, or have been eaten by monsters. It is said that only the Dragon Egg which lives in the Rift can make things right again. The Elves who are still alive in the corrupted lands want to locate the source of the problem and reclaim their home, but they have been abandoned by their god, and are left to bear the burden alone. • Major Battles Become More Exciting Through the journey and adventure of

the Elf, you can acquire items and other things which will be used in battles. This will be your main source of strength. • Interact with the World According to Your Choice The world of the game is mapped. You will be able to choose what to do in the areas you enter. You can also have conversation with the people you meet. You can become a strong mage using the Elden Ring, or a healer using the Arcane Power. You can also interact with other people and machines, and have a variety of choices to decide how you act in the world. • CONQUEST BATTLE • You Can Acquire & Equip Items By choosing the strategic defense of your main allies, you can build up your defenses against the encroaching monsters. By preventing them from invading your territory, you can acquire items from defeated monsters and

improve your characters' stats. By gradually integrating these items, your characters can be strengthened. U.S. jazz singer Betty Carter's unreleased 1972 album "Let's Get Small," including three performances by the acclaimed trumpeter Don Cherry, won best jazz vocal album.} ===== The generation of naturopathic medicine as a profession within Canada has few professional organizations. In Canada, there is very limited support for one of the major areas which naturopathic medicine values: the promotion of natural health and lifestyle through education. In this survey, nurses recognized 4 themes as important to the development of naturopathic education: create and sustain an evidence-based, student-centered, holistic system of health education, abolish common stereotypes about naturopathy in order to educate students, specify requirements for entry into the profession, and engage community partners. Although they did not identify these themes in the original questionnaire, nurses are now evaluating naturopathic medicine within their own work environment and might be using these themes to strengthen their own programs. In this study, naturopathic medicine was broadly defined to include any of the indicated CCNM programs: naturopathic medicine, school of health science, natural health sciences, or family medicine. We did not define naturopathic medicine specifically, which provides an opportunity for other professions to utilize this model in their own programs. Thus, readers are cautioned that the findings of this survey may not be indicative of the entire naturopathic profession, and further research is needed to understand the extent to which naturopathic medicine is
